

Emäkoski School

## 'Smarter...Greener...Safer...'

### LESSON PLAN\_ONLINE WORKSHOP 6

**Topic: Green Business**

**Brief description of the lesson: Get to know the UN Agenda 2030, its goals and put yourself in the shoes of a child in the third world**

**Objectives: Achieve more understanding, problem solving and empathy in the pupils' minds**

**Methods and techniques: Discussion, drama, competition**

**Materials and tools: Computers, workshop teachers**

**Preparation: Book the computers and visitors**

**Class duration: 4-6 lessons**

**Class activities:**

Lessons 1 and 2

- Study the UN Agenda 2030 sustainable development goals in smaller groups
- Present your goal(s) to the others
- Discuss what you and your family already do or what you could do in order to reach the goals

Lessons 3 and 4

- Each class participates in a drama workshop by Peace School, where they watch and get involved in dramatisations of the Agenda 2030 goals

Lesson 5

- Action track-competition on the UN Agenda 2030 goals

**Evaluation:** Reflections and evaluation of the multidisciplinary studies week. All pupils will write or draw their feelings about the studied theme and they will be put on the class wall.

**Prepared by** SGS Erasmus+ team teachers
