

'SMARTER... GREENER... SAFER...'

**GREEN ENTREPRENEURIAL MINDSET
IN ACTION**

Online Workshop 6

**THE WORKSHOP IS TO PRESENT IDEAS ON HOW TO
COMBINE ECOLOGICAL AND ENTREPRENEURIAL
KNOWLEDGE AND SKILLS DEVELOPED UNDER
'SMARTER...GREENER...SAFER...' PROJECT TO
COME UP WITH PRACTICAL IDEAS FOR GREEN
BUSINESS**

GREEN IDEAS TO CHOOSE FROM:

GREEN BUILDING (making use of knowledge on renewable sources of energy, energy saving, sustainable building, environmental threats and solutions to problems, etc.)

GREEN TOURISM (making use of knowledge on renewable sources of energy, anti-consumerism, energy saving, waste disposal, green entrepreneurship, etc.)

GREEN BUSINESS (making use of knowledge on recycling, waste disposal, saving energy, community involvement in environmental issues, green entrepreneurship, etc.)

POSSIBLE STAGES TO DESIGN

GREEN ACTIVITY:

- **BRAINSTORMING IDEAS**
- **DATA COLLECTION/RESEARCH**
- **DECISION MAKING**
- **TASK DISTRIBUTION**
- **GROUP/INDIVIDUAL WORK**
- **COLLABORATIVE GROUP WORK (putting ideas together)**
- **FINAL DESIGN**
- **FINAL PRODUCT**

NOW IT'S OUR TURN ...😊

TASK:

- ▶ **Design a lesson plan describing STEP BY STEP the organisation of a green initiative – GREEN BUSINESS (e.g. eco house design) incorporating ideas of 'Smarter...Greener...Safer...'project.**

GOOD LUCK! 😊
