

“Smarter... Greener... Safer...” Project

LESSON PLAN

TOPIC AREA: Painting techniques

DATE: From 7th to 18th May 2018

Time: 135 minutes

MATERIALS AND TOOLS:

- T-shirts
- Paints
- Mask
- Self-adhesive paper
- Paint-brush
- Sponge

SKILLS:

- To use the technique of painting
- To print by hand on textile

LEARNING AIMS: the students are expected to:

- Use the techniques correctly
- Print a slogan on a t-shirt
- Interact with others

ASSESSMENT:

- direct observation
- behaviour
- level of concentration and participation

PROCEDURE:

1st step: Students bring to the Art class the slogans they have written in the English class.

2nd step: Students print the slogans on t-shirts, using the techniques correctly.

3rd step: The T-shirts are shown to the community on the day when school is open to parents "Parents' Day". They are given to students, who are going to wear them in their communities, so that the messages are carried away.
